Painkiller Will Staeger, 2009-03-17 With page turning ferocity Will Staeger delivers a stylistic blend of riveting action thrilling suspense and starkly alluring characters in this classic tale of espionage laced with a twist of modern day terror The quasi retired Virgin Islands based CIA operative known only as W Cooper lives his life free diving and philandering along a quarter mile of white sand a necessary slice of paradise for a man seeking to kill the pain of torturous memories His life of leisure is rudely interrupted however when he's tapped by the local police to dispose of a bullet ridden mysteriously scarred body deposited on the island's shore by a passing hurricane Sensing the cops are merely looking to duck the labor of a proper homicide investigation Cooper declines only to encounter a haunting form of dj vu that brings with it a strange sense of comradeship with the anonymous victim Knowing he'd be better off leaving well enough alone Cooper decides to investigate where no one else seems willing At CIA headquarters in Langley Virginia junior analyst Julie Laramie discovers almost by accident evidence of a massive clandestine military buildup in China and elsewhere Alerting her superiors in her typically alarmist fashion she's reprimanded for violating Agency protocol and told to leave policymaking to the elected officials Like Cooper Laramie knows she should walk away but her gut drives her on a course toward career suicide and a bounty of evidence only she seems to see What she sees A labyrinthine untraceable terrorist plot designed to cripple the United States Led down parallel paths littered with a uniquely dark and compelling cast of enemies a zombifying Haitian witch doctor a slave trading albino serial killer and a Creatine boosted behemoth bodybuilder to name just three Cooper and Laramie find themselves drawn together

from opposite ends of a terrifying conspiracy With the clock ticking down the two realize they may be all that stands in the way of the annihilation of the existing world order A dynamic and complex story featuring powerful writing magnetic characters and a terrifyingly realistic premise Will Staeger s debut marks him as the newest star on the thriller horizon So beware like the Caribbean cocktail with which this book shares its name Painkiller is deceptively tasty and exceedingly dangerous
