## SOCIAL STUDIES

### What you need to know about the GED® Social Studies Test

- 1** You should be familiar with basic social studies concepts, but you're not expected to have in-depth knowledge of each topic.  
Remember, the social studies test is not a memorization test! You don't need to know the capitals of countries or the timeframes that certain wars occurred.
- 2** You'll need to understand social studies concepts, use logic and reasoning, and draw conclusions (which is using your critical thinking skills in social studies).  
This study guide and the example questions in it will help you get an idea of what's going to be on the test.
- 3** You **don't** need to know everything in this guide!  
If you want to see how close you are to passing, the GED Ready® official practice test is a great way to help you determine if you're ready.
