## CHAPTER I: THE EARLY YEARS

The first European settlers in North America were the Pilgrims, who arrived in 1620 on the ship the Mayflower. They established the Plymouth colony in Massachusetts. Other early colonies were founded in Virginia and Maryland.

The American Revolution began in 1775 with the Battles of Lexington and Concord. The Continental Congress fled to Lancaster and then to York, Pennsylvania, before reaching Philadelphia.

The Declaration of Independence was signed on September 17, 1776, in Philadelphia. It declared the thirteen original colonies to be free and independent states.
