Overcoming Spiritual Blindness James P. Gills, 2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation Such lack of recognition and

appreciation for the Creator is spiritual blindness Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look Author Dr James Gills a world renowned ophthalmologist with a deep love of the Bible writes about spiritual blindness with stunning clarity and relevance This book illustrates a powerful biblical theme often repeated throughout the Scriptures the analogy between the physical and the spiritual realms regarding blindness and sight From Isaiah s vision of a day when God s Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God Overcoming Spiritual Blindness emphasizes the power and work of the Holy Spirit What the surgeon does for cataracts that hinder sight in the physical eye the Holy Spirit does for the cataracts of the heart Overcoming Spiritual Blindness exposes obstructions to spiritual sight that cloud the lens of the soul Such cataracts include pride misguided concepts of money preoccupation with work distorted views of sex and a critical spirit The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness The list of spiritual cataracts is vast and painfully relevant highlighting the need for spiritual surgery to those who do not realize they are blind Morphing Orlando Randall James,2013-11-08 Orlando has been blessed with great and godly leadership in the city and the county In Morphing Orlando former Chief of Staff to numerous mayors Randall James describes the projects and people who had an impact on the growing up of The City Beautiful Bold nerve wracking and even downright hilarious many of the decisions and events he recounts are not commonly known to even the most avid government observer or newspaper reporter giving you the inside scoop behind the history of this fascinating city Randall James has been privileged to serve thirty one years in government including more than twenty four years with the City of Orlando In Morphing Orlando he shares some of the behind the scenes workings that helped transform a small quiet Florida town into one of the most desired tourist destinations in the world Beginning each chapter with a guiding verse from Scripture he gives you an overview of the recent history and growth of the city from a Christian perspective including how Jesus took a country boy from North Carolina and put him in places of authority and influence Projects were prayed over to ensure they would improve quality of life for the people of Orlando God s grace was shown to this thriving metropolitan area
