

# JOHN DEERE PAINT

JOHN DEERE

You already know your equipment is a large investment. So get the most out of it today—and for seasons to come—by protecting it with the best paint in the business.

Only genuine John Deere paint gives you the long-lasting, high-gloss finish that better shields your equipment from UV fading, rust, and corrosion. Or whatever else Mother Nature may throw at you.

## HIGH PERFORMANCE ENAMEL PAINT

John Deere High Performance enamel paint is well suited for both interior and exterior applications. Sets up in minutes, is tack-free in a few hours, and can be handled within a day. Fully cures to a hard, glossy finish that resists fading, cracking, and chipping within 3-4 weeks.

## LOW-VOC ENAMEL PAINT

John Deere offers a solvent-based paint that meets VOC limits in Canada, California, and other required locations. Performance is very similar to the standard VOC versions.
