John Fortress Biblical Preaching Commentaries:

John Karoline M. Lewis, 2014 Karoline M Lewis draws together the strengths of two exegetical approaches to the Gospel of John in this volume Lewis takes a broad thematic approach to the Gospel while at the same time giving exegetical and homiletical insights about individual pericopes Readers preachers and their parishioners will have a deeper appreciation of the book's unique interpretation of the Christ event and how that influences their approach to living the Christian faith in today's world Publisher **Preaching Prophetic Care** Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice **Preaching in Place** Mark R. Rigg, 2022-06-29 Why is preaching so often bad Why is worship so often dull Why do Sunday mornings so often fail to help the folks in the pews live a faithful life from week to week And what can be done about it Many will tell us that there are easy and purchasable fixes More technology Less tradition Virtual worship Thinking big The land and the farm model for us a different path As Mark Rigg shows in this concise introduction to Wendell Berry the themes that have illuminated the Kentucky farmer's essays fiction and poetry for fifty years have a great deal to say to the church They offer an agrarian model of church where the focus is on the local the tangible and the communal Out of such a model emerges a new approach to preaching Both congregation members and preachers themselves will find themselves called to turn away from sermons that echo the promises of an individualistic consumer culture and to proclaim instead Jesus Christ in the midst of the local community *The Gospel of John and Jewish-Christian Relations* Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to *hoi ioudaioi* a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile

stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world

Shouting Above the Noisy Crowd: Biblical Wisdom and the Urgency of Preaching Charles L. Aaron Jr., Dr. Jaime Clark-Soles, 2021-11-09 What could we accomplish if only we acted more wisely Could we mitigate the effects of diseases help the vulnerable feel safer make progress on justice cooperate on common problems We don t see enough wisdom but neither did Woman Wisdom herself who cried out in the streets wanting to gain attention For every preacher who feels the urgency for more wisdom this book has heard you We know the urgency and we want to help

Preaching the Word Karoline M. Lewis, 2023-04-11 The constant evolution of biblical scholarship has left the average pastor relying on interpretive methods learned in distant seminary years In Preaching the Word Karoline Lewis surveys developments in biblical studies and uses the Gospel of John to demonstrate how recent interpretive tools and methods can be applied to preaching

The Minister's Annual Manual for Preaching and Worship Planning, 2000-2001 Sharilyn A. Figueroa, 2000

In Quest of Jesus W. Barnes Tatum, 1982 This highly praised guide to the understanding of Jesus and the gospels prepares the reader to deal with literary sources historical reconstruction and continuing issues in the quest for Jesus As every point scholarly options are introduced in an objective manner that encourages readers to do their own thinking u

The Christian Librarian, 1986

New Testament Story David L. Barr, 1995 The thesis of this book is that every New Testament writing stands within a story even if it does not tell stories The approach allows readers to view the documents as vital elements in the lives of real persons The book maintains its focus on bringing the writings alive and shows how critical study enhances understanding of their meanings Its prime goal is teaching students to read these writings for themselves bridging the chasms of language history and culture that separate them from us The latest methods of research are utilized in this quest but the focus always remains on the New Testament documents
