## **John Lester Scouting Report:**

Baseball America 2016 Prospect Handbook John Manuel, 2016-04-05 Baseball America's Prospect Handbook is quite simply the only source you need to find out about the future stars of baseball. Baseball America made its name on finding the best players as amateurs and following them through the minors on the way to the big leagues and the Prospect Handbook is the compendium that brings it all together. You'll get the Top 30 Prospects for all 30 major league teams with comprehensive scouting reports on every player. You'll also get a wealth of other information about each team to give you an idea of where the organization has been and where it's going. It's no accident that you'll find the Prospect Handbook on the desk of every general manager in baseball. Join them in getting the information edge.

**The Newberg Report** Jamey Newberg, 2009-12-15 The Newberg Report pulls back the curtain on The Texas Rangers baseball team by taking a look at everything from what the organization does to the intuitive emphasis on the how and the why. The book now in its 10th edition encourages casual fans to get more involved while providing hardcore fans with a forum to discuss their beloved team. It's written by baseball guru Jamey Newberg.

*Baseball's No-Hit Wonders* Dirk Lammers, 2016-03-15 Baseball's No Hit Wonders honors such legendary pitchers as Cy Young, Bob Feller, Nolan Ryan, and Sandy Koufax while introducing readers to other eccentrics and one-shot wonders who have thrown no hitters. The book, the first of its kind in more than fifteen years, fleshes out the colorful characters, compelling narratives, and statistical oddities from baseball's 289 no-hit efforts as well as the many near misses that are also part of the national pastime's storied history. Painstaking research and personal interviews have allowed the author to pack great detail into a fun, fast-paced take on the game, revealing the stories of the no-hitter thrown by a pitcher on acid, the hitters most adept at breaking up no-hitters, and other gems thrown by guys with nicknames of Bumpus, Bobo, Cannonball, and Nixey. Even the game's greatest slugger is credited with a partial no-hitter, and all he did was throw a punch. Chapters detailing the best no-hitters of all time are interspersed with Did You Know lists that include no-hitters by team, city, and day of the week; no-hitters of the Negro Leagues; catchers who caught the most no-nos; and the best pitchers NOT to throw a no-hitter. Updated continuously at NoNoHitters.com.

*Baseball America Prospect* Jim Callis, Will Lingo, 2006-02-21 One of the leading annual reference guides to the next generation of rising stars, this volume provides in-depth analysis and statistics of 900 players, a detailed amateur draft report card, a list of the top 100 prospects, and a ranking of the Major League Baseball player development programs.

**In Pursuit of Pennants** Mark L. Armour, Daniel R. Levitt, 2015-04 The 1936 Yankees, the 1963 Dodgers, the 1975 Reds, the 2010 Giants: why do some baseball teams win while others don't? General managers and fans alike have pondered this most important of baseball questions. The Moneyball strategy is not the first example of how new ideas and innovative management have transformed the way teams are assembled. In Pursuit of Pennants examines and analyzes a number of compelling winning baseball teams over the past hundred-plus years, focusing on their decision-making and how they assembled their championship teams. Whether through

scouting integration instruction expansion free agency or modernizing their management structure each winning team and each era had its own version of Moneyball where front office decisions often made the difference Mark L Armour and Daniel R Levitt show how these teams succeeded and how they relied on talent both on the field and in the front office While there is no recipe for guaranteed success in a competitive ever changing environment these teams demonstrate how creatively thinking about one s circumstances can often lead to a competitive advantage
