Test How to Pass on Your First Try! Paul M. Redman, 2016-12-01 The Motorcycle Permit Test How to Pass on Your First

Try Updated for the 2017 test Over 170 practice test questions A must have for anyone who would like to pass on their first

try We show you what to study and how to beat the test The thought of getting your Motorcycle license can be a little bit

intimidating but with a few simple guidelines and test taking strategies you'll be well on the road to success Did you know

that 70 percent of first time test takers fail the permit test Our practice tests have over 170 test questions and are an

excellent way to prepare you for the actual written test Each of the 4 tests contain questions that are very similar to the

actual test questions By preparing using these supplemental practice questions as opposed to reading and rereading the

DMV handbook which is very time consuming and can be a waste of time you will learn basic driving skills road sign and

traffic signal meanings when to pull over for emergency vehicles speed limits in various zones how to handle accidents and much more You will also learn how to answer the trick questions which appear time and time again on the test Also included in the book are valuable test taking strategies safe driving tips and safe driver checklists Passing the first time will save you money time and the stress of having to study again It will also give you confidence and prepare you for the road driving test With a little preparation and concentration you can master the rules of the road and navigate your license test with confidence
