UPDATED FOR NEW TWITTER 2012You know you need to be on Twitter but you still don't get it Neither did I I was a
facebook gal through and through how on earth could I communicate in just 140 characters I was used to a whole facebook
status to play with and couldn't see how it could work So how am I qualified to write this book I'm not really I'm just a simple
northern lass who found a way to make Twitter work for her and it's that journey that I am going to share here with you I'm
not saying that this will work for everyone but it has worked for me and if nothing else it will help take some of the mystery
out of Twitter for you I would however like to point out that in the space of just a few months I personally had six Clients who
could all be attributed to Twitter and this number has grown considerably since then I know of other contacts who have also
had success with Twitter so I am talking from direct experience here I would say over 90% of my business can now be
attributed back to Twitter Helen Stothard's *I Don't Get Twitter* guide coaxed me gently and logically into the wonderful world
of Twitter Written in no nonsense plain speaking English it guided me through those crucial getting started steps to a clear
understanding of Twitter activity It's a fab guide for Twitter novices looking for a way in and I wholeheartedly recommend it
Victoria Clarke January 2011If you've been wondering whether Twitter will work for your business or not this book will walk
you through the steps to not only set up your Twitter account properly but how to use it more effectively to actually gain
business If Twitter bemuses you and you think it's all about cheese sandwiches I'd highly recommend Helen's book to show
