

Jane Eyre Reading Guide

Name: _____

Jane Eyre

This reading guide will help you unpack the Victorian novel, *Jane Eyre* by Charlotte Brontë. First published in 1847, this British novel was famous in revealing the feminist themes in literature including a woman's quest for love and search for identity. As you read, pay attention to the themes of heroism, dreams, women's studies, and social standing. You can also track the many qualities of Romantic literature with the presence of supernatural elements, emotional connections, individual journeys, and idealistic attitudes. This book also presents as a Gothic novel as it exhibits dreary settings and a brooding male protagonist.

Regular Written Assignments:

1. **Chapter notes, summaries, questions, annotations:** As you're reading *Jane Eyre*, you'll be taking notes, annotations, and asking questions to show you've been reading deeply.
2. **Dialectical Journal: Analyze** a quotation selected from each chapter. Your response should be about 2-3 sentences long. This version of the reading guide has **questions to help guide your answers**. If you're not sure what a quotation means, try to find it in the text so you understand the context! Try to consider:

- What does this quote tell me about a character—their motivations, development, and actions?
- How does this quote connect to the text's motifs and themes?
- What words strike you in their unfamiliarity, strangeness, or power? What effect do they have on you?

Vocabulary:

Jane Eyre contains a lot of sophisticated vocabulary. Look up vocabulary you don't know and annotate the words in the book. I've added vocabulary in this guide, but you can add other words too! **Never be afraid to ask what a word means!** Some of the words in *Jane Eyre* are new to me, too!

Creative Piece:

About halfway through the text, you'll work on a creative piece. This could take the form of a drawing, painting, a collage, a narrative, or some other form that you've discussed with me.

Final Essay:

For your final assessment, you'll write an essay in response to one of the prompts I've provided at the end of the unit. Or you can choose your own prompt!
