A Simple Guide to Child Support Redemption Lenton Aikins Esq, Mike R. Aikins, 2018-12-17 A Simple Guide To Child Support Redemption is the best resource available for non custodial parents struggling with the child support payment system It's packed with verifiable resources tons of information and no less than 15 documented remedies proven to save thousands of dollars in costs associated with paying child support through the State It actually pays for itself right away as foolish and costly mistakes can be identified and then eliminated after reading only one chapter Throughout the guide you'll find a comprehensive break down of significant history ongoing legislation contracts Case Law and recent controversial issues pertaining to Title IV A and D of the Social Security Act which is the voluntary contract that Child Support is based upon What makes it different from any other guide is the fact that It contains 100 Study Questions and a certification process that will prepare the non custodial parent with the tools necessary to become a specialist in all areas of Title IV A and D of the Social Security Act There's nothing like it out on the market today because the information presented comes with documented testimonies from people that have struggled with every aspect of the child
