In the event that you want the story of your life to be an incredible tale to interest others, then plunge into it with your head, heart, and hands to embrace the truth and thus become the story. Litan Bhowmik spent a quarter of a century to reach the threshold of this exciting voyage, which I am happy to embark upon. Initially, it was an exceptionally modest beginning, and gradually, it is getting to be significant. As I have been preparing myself to venture out into an amazing and exciting voyage, I thought to write this book to share my experience of the street which I left behind. If you want to save twenty-five years of your life and expand your life to do more and to accomplish more in your personal, family, professional, and social domains, then accommodate the wisdom in your head and heart. This book is a guide of the expedition from nowhere to somewhere, no one to someone, and meaninglessness to the significance which almost every human being wants to get on. If your actions inspire others to dream more, learn more, do more, you are a leader. John Quincy Adams

The Couples' Castle Aaron B. Bird PhD, 2017-06-13

When you journey through the castle's rooms with the main characters Emma and Titus, Isabella and Zeb, Olivia and Oliver, you will discover how you too can become one of the greatest love stories ever told. After all these years of humans walking around on earth, the statistics remain the same: 50 percent divorce, and another 40 percent do not have the kind of marriage they wish for their kids. Only about 10 percent are living an authentic happily ever after. How the 10 percenters got there is what you will discover inside the couples' castle. They know what drives relationships in today's world: it is rapidly changing. The old days of treating the wedding ceremony with pixie dust and the "be all and end all" and providing four walls and a roof with dinner served promptly at 5:00 p.m. are not enough anymore. They want more because there's more to be had. This book offers the relationship blueprint to experience the ultimate relationship, find the love of your life, and make your marriage a masterpiece, all within a fun and fast-paced narrative. Join the book's couples in their race through the castle's rooms to find a real happily ever after and discover all that's possible for you.
