Emotion Activities For Children:

Curriculum and Practice for Children's Contextualized Learning Li Jilin, 2017-11-11 Based on the authors over 30 years of practical research experience this book shows how situation curriculum design illustrates the new idea of combining subject curricula with children's activities Particular attention is given to the subject curriculum activity curriculum and the optimization of the situation The curriculum is the most important vehicle of children's learning and the primary school curriculum is vital to children's growth Drawing on detailed case studies the book highlights how situation curriculum design is currently affecting traditional Chinese primary schools

Unified Protocols for Transdiagnostic Treatment of Emotional Disorders in Children and Adolescents Jill Ehrenreich-May, Sarah M. Kennedy, Jamie A. Sherman, Emily L. Bilek, Brian A. Buzzella, Shannon M. Bennett, David H. Barlow, 2018 The Unified Protocols for Transdiagnostic Treatment of Emotional Disorders in Children and Adolescents suggest that there may be a simple and efficient method of utilizing effective treatment strategies such as those commonly included in CBT in a manner that addresses the broad array of emotional disorder symptoms in children and adolescents The Unified Protocol for children and adolescents comprises a Therapist Guide as well as two Workbooks one for children and one for adolescents

Social and Emotional Prevention and Intervention Programming for Preschoolers Susanne A. Denham, Rosemary Burton, 2012-12-06 Social and Emotional Prevention and Intervention Programming for Preschoolers rests on the idea that young children under optimal circumstances develop substantial abilities in social and emotional domains by the time they enter school These abilities contribute to their success and well being during these early years but even more importantly to both their successful adaptation to school personal and academic and their long term mental health The chapters of this volume present theoretical foundations for and explanations of what important adults in young children's lives preschool teachers daycare providers parents can do to encourage the development of such social emotional abilities including promoting secure attachment relationships providing positive behavior guidance and assisting children in developing emotion knowledge emotion regulation social problem solving skills and other positive social behaviors In addition the book reviews the current state of early childhood programming in each of these crucial areas with the addition of a chapter on emergent parent programming on emotion coaching Recommendations are made for making such programming work for assessing individual children's development and program efficacy and necessary future directions for this area are detailed
