FINAL EXAM ESSAY PORTION

Write an essay that is at least four full pages on one of the questions listed below. The essay should be double spaced, 12 point type, Times New Roman font, with one inch margins. No title page. Put your name and question number at the top left. The only source you should use is the textbook. If you are googling these items and researching beyond the textbook you are not doing what I have asked. This is a test of how well you can respond to these questions using the materials covered in this course. You will not get much credit, if any, for materials in the essay found beyond the textbook. Put the ideas in your own words like you would do if you were in a classroom answering this in a test environment. I do not care to see you quoting the textbook – that is not necessary.
