**Escaping the Smoke and Rain** Shauna May,2014      **Telephone Witnessing and Letter Writing Organizer for Jehovah's Witnesses** Nuria May,2021-12-10 Accomplish Your Ministry Professional and beautiful organizer for Jehovah s Witnesses to keep a record of telephone witnessing and letter writing that will keep your Ministry in order Be prepared and reach your goal This organizer was designed to make your workflow simple and practical It will make an awesome gift for any Jehovah s Witness Book details 6x9 handy size easy to carry around Crisp white pages Professional matte cardstock cover Durable perfect binding Plenty note taking space Make your work more effective by ordering this Telephone Witnessing and Letter Writing Organizer now      **Jehovah's Witnesses the Truth** Trevor Willis,2018-01-09 There may be a number of reasons why reading about Jehovah s Witnesses interests you You may have relatives who have become Jehovah s Witnesses and you are curious about their new faith Perhaps your partner is showing an interest in this religion and you want to find out more about what they are getting involved in You may be a Jehovah s Witness who is having doubts if so well done for being open minded enough to be interest in this book Very few Witnesses are open minded enough to read anything independently written about them They know that to do so is heavily frowned upon as it is said to indicate a lack of faith and displease Jehovah God This restriction is bound to deny them the opportunity of developing a balanced viewpoint Then again your interest in reading this material may be driven by an entirely different motivation If this subject interests you I suggest that you go to the book cover and click on Look inside Reviews of the previous edition are show The introduction gives a comprehensive explanation of what this book covers Review by David Lowe English teacher I read Trevor Willis s original book many years ago and was delighted to read this his up dated new edition The author s personal early experiences as a Witness alongside his fully researched history of the sect give the reader genuine insights into this strange world The book is a real eye opener it is enjoyable to read in its intelligent thoughtful and sympathetic quest for truth I strongly recommend you to read it yourself      Jehovah's Witnesses Jerry Bergman,1999-02-28 The Watchtower movement has over ten million followers and remains one of the fastest growing religious movements in the world today Since the movement actively proselytizes throughout the world many people are aware of Jehovah s Witnesses but readers may not be aware that the movement has profoundly influenced the constitutional law of many countries including America and Canada This volume contains almost 10 000 references on the Watchtower movement and the dozen or so major schisms that have occurred since its founding in 1879 An introductory chapter reviews the history major events and doctrinal changes of the Jehovah s Witnesses Books book chapters booklets dissertations journal articles and book sections that examine the Watchtower movement are referenced in English and other langauges such as Chinese Japanese Korean and Turkish Selectively annotated the entries are grouped in five major sections for easy reference Scholars and researchers will appreciate the comprehensive list the author has provided of all literature published by the Watchtower movement throughout its history

The Watchtower's Coming Crisis Daniel Rodriguez,2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it

Awakening of a Jehovah's Witness Diane Wilson,2010-05 This tale of mind control the use of fear to manipulate vulnerable people and final escape from a suffocating cult environment is a revealing expose of a secretive contemporary sect as well as a true psychological thriller Diane Wilson spent twenty five precious years of her life first becoming indoctrinated by the dogma of the Watchtower Society and then struggling to free herself from its pervasive intimidating clutches In this probing brutally honest assessment Wilson describes how a childhood of psychological abuse and lack of self confidence rendered her vulnerable to the seductive doctrines of the Jehovah s Witnesses What she reveals about the goings on within the closed Watchtower Society will shock the average person who assumes the polite well dressed people who pass out leaflets are much like any other conservative religious group Wilson contends that membership in the Jehovah s Witnesses requires obedience bordering on psychological enslavement and complete suppression of individuality

Her engrossing memoir will be of great interest to former Witnesses students of cult phenomena and anyone who has ever had contact with Jehovah's Witnesses

**I Don't Know Why We Persecute Jehovah's Witnesses** Tom Harley, 2021-06-02

Searching for the Why at first glance what could be easier Just read the charges But when Putin says Jehovah's Witnesses are Christians too I really don't understand why they are persecuted there appears more to it than meets the eye When Human Rights Watch says Russia's religious persecution focuses almost exclusively on Jehovah's Witnesses the plot thickens further Like Luke to Theophilus here is a book that traces everything from the start with accuracy Like Luke to Theophilus here is a book that tells it from the believer's point of view stripped of the red herrings that plagued Dear Mr Putin Jehovah's Witnesses Write Russia updated to the February 2021 present and ever respectful towards the land of the bear Here are presented the modern day Acts of Russia with regard to worship the acts of believers and of those who oppose them The acts of Russia have taken a dark and perplexing turn puzzling even Putin Can it be The wizard who runs Oz doesn't know how his contraption works Here is a book that picks up where Baran's Dissent on the Margins 2014 leaves off The tale has not yet ended But then neither had the tale ended when Luke completed the first century Book of Acts Early in 2017 every Jehovah's Witness in the world was invited to write letters to designated Russian officials urging that justice be done in their case I wrote one Here is the expanded version

*Thirty Years a Watch Tower Slave* William J. Schnell, 1956 It was in the year 1954 that Williams J Schnell wrestled with God in prayer for an entire agony filled night As morning broke he arose with peace in his soul and a song in his heart For the first time in thirty years Schnell was a free man For three decades he had been enslaved in one of the most totalitarian systems of the twentieth century That morning he stood up with the firm determination that with God's help he would reveal to the world the inner workings of the Watch Tower Society The result is this entrancing book *Thirty Years A Watch Tower Slave The Confessions of a Converted Jehovah's Witness* This is a much needed book Like a giant octopus the Watch Tower Society has spread its tentacles to the corners of the world In spite of its denial of most of the major Biblical truths including the trinity the divinity of Christ the physical resurrection of Christ the physical return of Christ it poses as a Christian movement It yearly lures thousands into its fold with its ingeniously devised system of proselyting It is the inner workings of this organization which the author lays bare and exposes to public view for the first time in history Every previous effort has been successfully thwarted The writer of this exposé too has been subjected to pressure But his vow of gratitude to God for opening his eyes and for delivering him from this vicious network has given him courage and carried him through Although Mr Schnell pulls no punches he displays no rancor or bitterness This book is his life's story as a Jehovah's Witness It is his confession of wrongdoing to God and his fellow man In doing so he reveals the Jehovah's Witnesses and The Watch Tower Bible and Tract Society for what they really are This book is a powerful warning to any and all who may be approached by the misnamed Jehovah's Witnesses It is likewise Mr Schnell's appeal to his former brethren to throw off their shackles and to

return to the liberty which is in Jesus Christ Be sure to read this book You owe it to yourself to be well posted on this aggressive movement Sooner or later you will be confronted with its message of perversion **Our Friends** Ernest Bruce Price,1992 The Day Rachel Walsh,2013-11 Most of us have encountered one of Jehovah s Witnesses perhaps as an unexpected visitor at the doorstep a pupil at school or a patient needing medical care Yet if you want to discover what they really believe or what is the real motivation behind their actions until now it has been surprisingly difficult to find out Books about Jehovah s Witnesses are often written by fundamentalists who are not sufficiently objective or alternatively contain the personal experiences of ex members who may not provide much information about the culture surrounding Jehovah s Witnesses This insightful new study from Rachel Walsh takes a different approach She undertakes a comprehensive study of Jehovah s Witnesses from a secular point of view including analysis of their beliefs motivations and organizational culture Walsh sweeps away many popular misconceptions but what she reveals in their place may cause a shift in the current perception of Jehovah s Witnesses that is all the more startling **Jehovah's Witnesses** Walter R. Martin,1974 *Questions for Jehovah's Witnesses* Bill Cetnar,William Cetnar,Joan Cetnar,1983 *Jehovah's Witnesses* Marley Cole,1970 *Jehovah's Witnesses* Anthony A. Hoekema,1975 **Why I Left Jehovah's Witnesses** Ted Dencher,1968 **60 Questions Every Jehovah's Witness Should be Asked** Ian Brown,2002 Many people believe that Jehovah s Witnesses are authorities on the Bible The truth is they are not But they are experts in evangelism The next time a JW knocks at your door be prepared to engage them not in discussion or arguments but rather by asking them questions which defeat their arguments using their own Bible translation perhaps God will use these questions to penetrate their programmed responses shatter their belief in the Watchtower Organization and ultimately lead them into a personal salvation through Jesus Christ Book jacket **Visions of Glory** Barbara Grizzuti Harrison,1978 The author interweaves a discussion of the beliefs motives organization and history of the Jehovah s Witnesses with personal reflections on her involvement with the sect from childhood to the age of twenty one **How to Respond to ... the Jehovah's Witnesses** Herbert Kern,1991 **Jehovah's Witnesses** Salem Kirban,1972
