## **Jihada The Lost Scriptures:**

**Jihada: The Lost Scriptures** Bill McNaught,2015-01-08 The novel is set sometime in the very near future a future much closer than anyone can imagine The Lost Scriptures of Islam prophesied the birth of THE JIHADA They foretell of how The Second Coming of the Prophet himself as written in the Quran will bring about the destruction of all non believers of the faith The JIHADA brings about this destruction by pitting Muslims throughout the world against all other religions The world retaliates against Islam and the nightmare vision of World War 3 becomes the reality which could spell the end of all human life on Earth As you read the novel you will begin to realise that the war by Islam against the rest of the world is just beginning and is taking place before our very eyes beheadings in the streets the call for Jihad in the mosques Islamic warfare on the news whenever we switch on the TV

**Jihad 1 - THE LOST SCRIPTURES** Billy Makin,2021-08-17 The Gods were angry All attempts to control the dominant species of the planet had failed Disease Famine Pestilence and Warfare had all been unsuccessful THEY NEEDED TO BE CULLED Allah proclaimed The Lost Scriptures to his Prophet Mohammad This Jihada returned to implement them The Christian God returned HIS profit to prevent the coming Islamic dominance ISLAM and CHRISTIANITY were set on a collision course The cull of the dominant species began ONLY ONE RELIGION WOULD SURVIVE

*The Lost Art of Scripture* Karen Armstrong,2019-06-06 An amazingly wide ranging book showing that the world s religious texts can be a force for good today John Barton author of A History of the Bible In our increasingly secular world holy texts are at best seen as irrelevant and at worst as an excuse to incite violence hatred and division The Quran the Torah and the Bible are often employed selectively to underwrite arbitrary and subjective views They are believed to be divinely ordained they are claimed to contain eternal truths But as Karen Armstrong a world authority on religious affairs shows in this fascinating journey through millennia of history this narrow reading of scripture is a relatively recent phenomenon Armstrong argues that only by rediscovering an open engagement with their holy texts will the world s religions be able to curtail arrogance and intolerance And if scripture is used to engage with the world in more meaningful and compassionate ways we will find that it still has a great deal to teach us Magisterial A dazzling accomplishment New York Times Glorious Armstrong is the most articulate and generous hearted exegete of religion writing in English at the present time A N Wilson New Statesman

## Decoding **Jihada The Lost Scriptures**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
