

Jimmy Carter

Reading Comprehension

Name: _____ Date: _____

Jimmy Carter

Jimmy Carter was the 39th president of the United States, serving from 1977 to 1981. Born in Plains, Georgia, in 1924, he grew up in a farming family and later studied at the US Naval Academy. Before becoming president, Carter served as the governor of Georgia and was known for his honesty and dedication to public service.

As president, Carter focused on human rights, energy conservation, and peace efforts. One of his most significant achievements was helping to broker the Camp David Accords, a peace agreement between Egypt and Israel. This earned him international respect, though his presidency was also marked by domestic challenges, such as high inflation and the Iran hostage crisis.

After leaving office, Carter became highly respected for his humanitarian work. He founded the Carter Center, which works to promote democracy, health, and human rights worldwide, and is sheltered with Habitat For Humanity, helping to build homes for people in need. In 2002, Carter received the Nobel Peace Prize for his efforts in promoting peace and resolving international conflicts.

Even in his later years, Jimmy Carter remained active and dedicated to service and global good.

Name: _____ Date: _____

Check the correct box

1. What number president was Jimmy Carter?

S. History Exam* Tom Meltzer, Jean Hofheimer Bennett, 2006-01-10 Two full length practice exams with answers help prepare students for advanced placement history exams **Workbook in American History** Brandywine Press, Incorporated, 1992-10 *International History of the Twentieth Century and Beyond* Antony Best, Jussi M. Hanhimäki, Joseph A. Maiolo, Kirsten E. Schulze, 2024-09-03 Now in its fourth edition this highly successful global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible and seamless account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the last 120 years The fourth edition is thoroughly updated to take account of the most recent research and global developments including new material on the impact of the Trump administration on international politics the rise of China under the leadership of Xi Jinping and the origins of the wars in Ukraine and Gaza The book is supported by a fully revised companion website including links to further resources and self testing material which can be found at www.routledgelearning.com/internationalhistory20c

Empowering the White House Karen Marie Hult, Charles Eliot Walcott, 2004 On the surface the new president seems to inherit an empty house Hugh Hecló a recognized expert on American democratic institutions has noted In fact he enters an

office already shaped and crowded by other people's desires Empowering the White House examines how Richard Nixon entered that crowded Oval Office in 1969 yet managed to change it in a way that augmented the power of the presidency and continues to influence into the twenty first century how his successors have governed Nixon's White House is perhaps best remembered for the growth in the size of the staff which operated under the supposed iron fist of H R Haldeman But more important than size and management style to the character of the Nixon White House were the assigned tasks complexity and dynamics of the burgeoning staff Faced with hostile majorities in Congress and executive branch careerists assumed to be committed to a Democratic agenda Nixon sought to control his political fate by engaging more actively than earlier presidents in public relations and the mobilization of support At the command and under the control of the Oval Office the staff carried out assignments designed to fulfill Nixon's aims This theoretically informed and well researched study explains how Nixon changed and expanded the institutionalized presidency and how that affected the Ford and Carter administrations Nixon ushered in a new stage in the modern presidency by organizing and using his increasingly complex staff in new ways that have persisted beyond the 1970s to this day To a greater degree than any predecessor Nixon systematized outreach legal advice and policy formulation His White House staffing then has come to be regarded as a standard model that influences incoming presidents regardless of party affiliation Leavening this organizational study are revealing accounts of how the Nixon Ford and Carter staffs operated behind the scenes in the West Wing Anyone needing to know how the White House worked during those presidencies or how it has worked since will find this book invaluable

Great Source Aim New York

Great Source Education Group Staff,2001-06-08 **Study Guide for the New American Democracy** Larry Elowitz,1999
The Carter Presidency Gary M. Fink,Hugh Davis Graham,1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America National Journal ,2007 *The Atlantic Monthly* ,1979 **Thinking Through the Test** D. J. Henry,Mimi Markus,2006-02-23 Understanding American Democracy Leon P. Baradat,1991-11
