R. Kruze,2019-01-09 Before the cities left and plunged our world into a global dark age there were stories that told that history Collected here are the works of three authors who have been telling scraps and pieces of what happened All through the eyes of the people and animals who lived it Some are fantastic others could be tall tales perhaps some are downright lies But that is all why they had to be published as fiction Because few people would believe it even as a TV documentary All highly speculative And that s why it s called Science Fiction But its a very human telling You may even find yourself in here Get Your Copy Now *New Voices Vol. 003* C.
