

TASK 2: INSTRUCTION COMMENTARY

Respond to the prompts below (no more than 6 single-spaced pages, including prompts) by typing your responses within the brackets following each prompt. Do not delete or alter the prompts. Commentary pages exceeding the maximum will not be scored. You may insert no more than 2 additional pages of supporting documentation at the end of this file. These pages may include graphics, texts, or images that are not clearly visible in the video or a transcript for occasionally inaudible portions. These pages do not count toward your page total.

1. Which lesson or lessons are shown in the video clip(s)? Identify the lesson(s) by lesson plan number.

[The first video clip is from the first lesson, labeled video clip 1. This video clip picks up 10 minutes into the lesson where the students will be demonstrating the skill of dribbling a basketball during their first activity. Video clip 2 is from lesson 2. This clip as well shows the students participating in a new skill of passing, demonstrating both the chest and bounce pass. Students are first shown demonstrations before practicing the skill and engaging in the activity.]

2. **Promoting a Positive Learning Environment**

Refer to scenes in the video clip(s) where you provided a safe, respectful, and organized learning environment.

- a. Describe how you provided a positive, low-risk emotionally and physically safe environment.

[For each period, the gym floor was cleared of any obstructions and free from debris. When the students entered the classroom, they are always greeted with an energetic and warm welcome to make sure they feel comfortable and they are acknowledged. After and before each activity done in class, the students are asked how they felt performing the skills. This simple question opened up opportunities for student and/or class discussion. This allowed for students to feel that their voice is heard. This is seen in video clip 2 (6:40-7:00), where I asked if students had any questions before beginning our next activity. There are a few students heard saying "no" which prompted me to assume that they are ready for the activity. In video 1 (4:30 – 5:10) and video 2 (1:35-2:15) I tell the students to hold and walk the basketballs back to the rack to ensure no student is hurt when walking from their floor spot and back. This reduces any chance of a student being struck or hit with a basketball during transitions and activities.

For the grouping method in the activities, the teams were organized randomly based on numbers between 1-4. In video 1 (6:00 – 7:00) and video 2 (3:35 – 4:40) the groups are assembled quickly and smoothly, while praising appropriate student behavior to reinforce to the rest of the class of what behavior is expected and ensure student safety. The activities in the lesson 2 were organized with attention paid to the space between students to ensure safety when passing in video clip 2 (7:05 – 12:00), by organizing the activities with this foundation, the risk of injury will decrease. Also, in video clip 2 (1:20 – 1:25) and (6:55 – 12:00), it is seen that I am consistently reminding the students to have their hands ready for the pass and to create space or decrease space for receiving a pass. By using the prompt "triple threat" in both video clip 1 and 2, this prompt let students know that if they were holding a basketball, to stop what they were doing with the basketball and get into an offensive position holding the basketball. Those students without a basketball will get into the stance. Before beginning the activities, the students would have to wait for my whistle before beginning. With the use of the whistle and verbal cue of "triple-threat" students could develop and improve their reaction time.

To help students feel comfortable in the classroom and motivated, praise was given to the class before any corrective feedback was given. This is seen in video clip 1 (1:30 – 2:20) where a handful of students are seen dribbling the basketball looking down. I tell the

Examples Of Tpa Task 2 Introduction

In today's digital age, the availability of Examples Of Tpa Task 2 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Examples Of Tpa Task 2 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Examples Of Tpa Task 2 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Examples Of Tpa Task 2 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Examples Of Tpa Task 2 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Examples Of Tpa Task 2 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Examples Of Tpa Task 2 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Examples Of Tpa Task 2 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Examples Of Tpa Task 2 books and manuals for download and embark on your journey of knowledge?
