Invocation For School Award Ceremony:

The Battle Over School Prayer Bruce J. Dierenfield, 2007 A concise and readable guide to the first and still most important case that tackled the constitutionality of prayer in public schools The decision evoked an enormous outcry from a wide spectrum of society concerned about protecting religious practice in America and curbing an activist Supreme Court that many perceived to be too liberal and out of control **School Prayers**, 1964 *School Law Bulletin*, 1995 **Air Force Magazine**, 2016-07 **LA Record**, 2001 **Assembly** West Point Association of Graduates (Organization), 2010

The Principal's Quick-Reference Guide to School Law Dennis R. Dunklee, Robert J. Shoop, 2002 Most school law texts do not include practical guidelines to help administrators This book does so quite well I'll use it in a heartbeat Scott McLeod J D Assistant Professor University of Cincinnati Given the many responsibilities of school administrators and the growing complexity of school law this desk reference is an invaluable reference for principals I will be the first in line to buy this book Deborah Alexander Principal Kingston Elementary School TN This book makes significant contributions with its risk management recommendations and the recommendations are excellent ones based upon sound legal principles Frank Brown J D Professor University of North Carolina Chapel Hill Without question this book makes a solid contribution to the field of education and the role that administrators must play Perhaps the most encouraging aspect of the book is the focus on prevention Jon Rosell Executive Director Shaklee Institute for Improving Special Education KS Principals deal with complicated and potentially damaging legal issues every day and now there's an accurate accessible tool written in plain English that can give administrators the information they need to do their jobs while minimizing legal risk This comprehensive volume helps school administrators quickly find and identify important legal points and consider potential legal consequences for a wide variety of issues including Staff selection contracting and evaluation Student rights and student discipline Special education Copyright law Search and seizure Sexual harassment and many more It's an essential desk reference that every administrator needs close at hand Without a Prayer Robert S. Alley, 1996-10-01 This is the first thorough examination of school prayer to bring together the experiences of parents and children involved in contesting public school sanctioned prayer and Bible reading Alley explores the way in which terms like nonpreferentialism toleration and accommodation are being used to hide violations of the First Amendment Personal interviews were conducted with those involved in seven prominent cases Each story challenges communities that impose the mores and cultural patterns of religion on their public schools The result in most instances has been angry protests as well as threats against parents and children and or property damage What's wrong with a little prayer One need only observe the ways in which religious fervor leads to the use of the Bible and prayer as a weapon against minorities **Historical Review** United States.
