**What is this report?**

This report shows your child's performance on the Virginia Growth Assessments (VGA). You can use this report, along with teacher input, classroom work, report cards, and the Student Detail by Question reports, to help identify where your child is doing well and where additional support may be needed.

**How Did Your Child Perform Overall?**

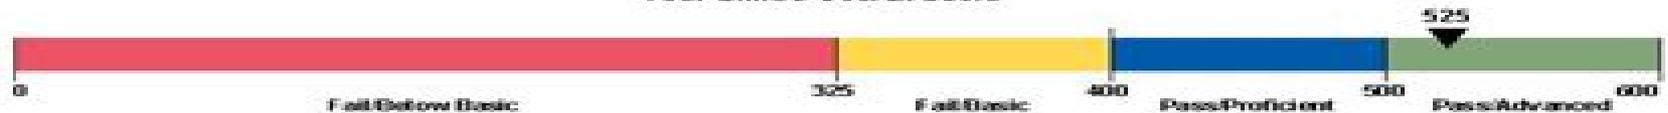

**What is a performance level and an overall score?**

This test has performance levels to show how your child performed according to grade level expectations. The overall score shows the specific numeric score your child earned within the performance level.

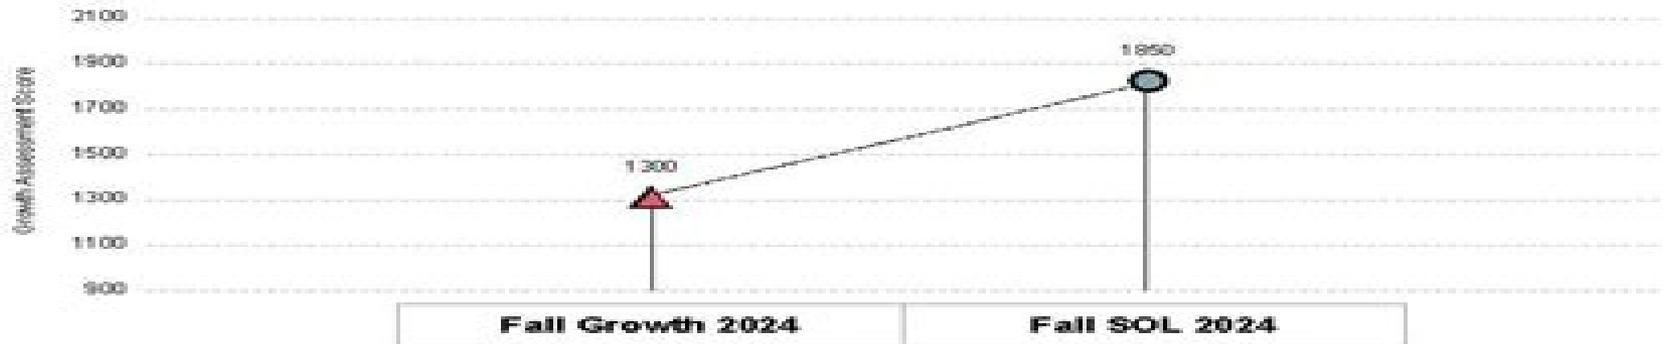

<b>Performance Level: Pass/Advanced</b>	<b>What does this mean?</b> Your child showed an advanced understanding of this subject's Standards of Learning.
---	---

**Your Child's Overall Score**

**Your child's academic progress in this school year**

The chart below shows your child's score on the VGA your child has taken this school year. These scores can be used to understand if your child is learning the content and skills expected in the Virginia Standards of Learning (SOL). If the VGA score is staying the same or decreasing, it may be helpful to ask the teacher if your child needs more support in this subject area.

Based on your child's score on each Virginia Growth Assessment shown above, your child:		
needs additional support.	is at risk.	is generally well prepared.
