

13 Ways To Get Back With Your Ex

Let them see how much you miss them

Take some time and space to ponder on what you both want

Analyze the whole situation from their point of view once

Bring some positive changes in your life to be a better person

Discuss your issues to not repeat the same mistakes

Be dependable so they can trust you

Don't try to make them feel jealous

Remind them why you are so good together

You may have to make some sacrifices. Be ready!

Are you ready to make an effort? Your actions should speak for it

Tell them clearly why you want to patch things up

It will never work out if you can't forgive each other

Have faith in your love and things will be fine this time
