

CEMNGB Saint John's
World History Study Guide
Ninth Grade, Fourth Quarter

Vocabulary

Aristocracy, oligarchy, direct democracy, patrician, plebeian, Mycenaean

Questions

- 1. In what ways did Greece's location by the sea and its mountainous land affect its development?**
The small streams that watered these valleys were not suitable for large-scale irrigation projects. With so little fertile farmland or fresh water for irrigation, Greece was never able to support a large population.
- 2. How did contact with the Minoans affect Mycenaean culture?**
From their contact with the Minoans, the Mycenaeans saw the value of seaborne trade. The Mycenaeans adapted the Minoan writing system to the Greek language and decorated vases with Minoan designs. The Minoan influenced culture of Mycenae formed the core of Greek religious practice, art, politics, and literature.
- 3. How is Athenian democracy different from modern American democracy?**
Around 500 B.C., the Athenian leader Cleisthenes introduced further reforms. He broke up the power of the nobility by organizing citizens into ten groups based on where they lived rather than on their wealth. He also increased the power of the assembly by allowing all citizens to submit laws for debate and passage. Then created the Council of Five Hundred. This body proposed laws and counseled the assembly. Council members were chosen by lot, or at random.
- 4. How would you compare the ideals of Spartan and Athenian society?**
In Sparta all forms of individual expression were discouraged. As a result, Spartans did not value the arts, literature, or other artistic and intellectual pursuits. Spartans valued duty, strength, and discipline over freedom, individuality, beauty, and learning.
- 5. How did the Persian Wars affect the Greek people, especially the Athenians?**
With the Persian threat ended, all the Greek city-states felt a new sense of confidence and freedom. Athens, in particular, basked in the glory of the Persian defeat. During the 470s, Athens emerged as the leader of the Delian League, which had grown to some 200 city-states.
- 6. How accurate do you consider Pericles' statement that Athenian democracy was in the hands of "the whole people"?**
One example of how accurate is Athenian democracy is that when it is a question of putting one person before another in positions of public responsibility, what counts is not membership in a particular class, but the actual ability which the man possesses.
- 7. How did tragedy differ from comedy?**
In contrast to Greek tragedies, a comedy contained scenes filled with slapstick situations and crude humor. Playwrights often made fun of politics and respected people and ideas of the time.
- 8. What might have been Pericles' goals in the Peloponnesian War?**
Pericles' strategy was to avoid land battles with the Spartan army and wait for an opportunity to strike Sparta and its allies from the sea.
