Understanding Decision-making Processes in Airline Operations Control Dr Peter J Bruce, 2012-10-01 Previous studies conducted within the aviation industry have examined a multitude of crucial aspects such as policy airline service quality and revenue management An extensive body of literature has also recognised the importance of decision making in aviation with the focus predominantly on pilots and air traffic controllers Understanding Decision Making Processes in Airline Operations Control focuses instead on an area largely overlooked an airline's Operations Control Centre OCC This serves as the nerve centre of the airline and is responsible for decision making with respect to operational control of an airline's daily schedules The environment within an OCC is extremely intense and a key role of controllers is to make decisions that facilitate the airline's recovery from frequent highly complex and often multiple disruptions As such decision making in this domain is critical to minimise the operational commercial and financial impact resulting from disruptions The book examines many aspects of individual decision making in airline operations and addresses the deficiencies found by presenting to the reader an examination of the relationships among situation awareness information completeness experience expertise decision considerations and decision alternatives in OCCs The text utilises a multiple case study approach and proposes a number of relevant and important implications for OCC management Practical outcomes highlight the need for enhancing training programs enabling existing controllers to readily identify and classify elements of situation awareness and decision considerations as a means of improving the decision making process They also draw attention to the need for airline OCCs to understand the extent to which industry experience and expertise of controllers is important in the selection of future staff

Journal of the National Cancer Institute, 1990 **Decision-Making in Midwifery Practice** Maureen D. Raynor, Jayne E. Marshall, Amanda Sullivan, 2005-06-01 The book looks at a broad perspective of decision making and each chapter focuses on a specific aspect related to making crucial decisions Following

an initial introduction the book explores the concept of autonomy and the many factors that influence autonomous practise The role of knowledge in decision making using evidence to inform decisions as well as different approaches to decision making are also examined including the traditional or rational approach decision analysis and the development of professional judgement Dilemmas arise when decisions are made and therefore ethical decision making is an important component of this book Management decisions may be different from those related to giving specific care to women hence one chapter focuses on making management decisions Emphasis is also placed on the role of the midwife in helping women make their own decisions the role of reflection in enhancing the decisions midwives make and the support midwives can receive from their Supervisor of Midwives Flowcharts explain and facilitate the decision making process A very practical approach to decision making in midwifery with contributions from midwives who have considerable experience in this area Provides guidelines on how to achieve successful autonomous midwifery practice enabling theory to be effectively applied to practice Includes coverage of management roles and decision making as well as clinical scenarios offering frameworks and flowcharts to guide the inexperienced Suggests different approaches to making difficult decisions Behavioral Economics and Smart Decision-Making Ankal Ahluwalia,2025-01-03 The illustrations in this book are created by Team Educohack Behavioral Economics and Smart Decision Making explores the modern approach to economics emphasizing the impact of psychology and human behavior We delve into various theories within this field including Prospect Theory measurement principles and heuristics and biases Our book also discusses how behavioral management modernizes traditional management practices Designed to enhance understanding this book is an essential resource for anyone interested in the intersection of economics and psychology The Effects of Information Heterogeneity on Decision-making Processes in the Buying Center Jae-Il Kim,1986 **Managerial Decision-making: a Logical Approach** Robert William Morell,1960 The Managerial Decision-making Process E. Frank Harrison,1995 Rather than present decision making strictly as a quantitative science this text views it as a multidimensional process involving values psychology sociology social psychology and politics Using a process model a focus on the process of a decision rather than the outcome the book presents a variety of perspectives useful for making and evaluating decisions in all kinds of organizations *Decision-making Processes in a Culture Contact Context* Susan Margaret Branstner,1991 **Australian Defence Force Journal** ,1998 *Anderson v. Court of Appeal (4th Appellate District). Division 2. Records and Briefs** California (State)., **To Run a Constitution** John Anthony Rohr,1986 In this synthesis of political philosophy public administration and American history Rohr seeks to legitimize the administrative state in terms of

constitutional principle He tries to show that the fourth or administrative branch of government is compatible with the plans of the framers both Federalist and anti Federalist of the U S Constitution and of the Bill of Rights He argues that the combination of powers in administrative agencies does not violate the standard of separation of powers set forth in The Federalist especially by James Madison the higher reaches of the career civil service fulfill the framers constitutional design by performing a balancing function originally assigned to the Senate and the career civil service en masse heals the defect of inadequate representation in the Federal Constitution ISBN 0 7006 0291 7 29 95 *California. Supreme Court. Records and Briefs* California (State)., **Organizational Behavior** Jerry C. Wofford,1982
