

military operations short of full-scale war. This allows for flexibility in response to foreign threats.

Implied powers have been a source of ongoing debate. Strict constructionists argue that the government should only exercise its explicitly listed powers, while loose constructionists support a broader interpretation to allow for flexibility. This tension reflects the ongoing struggle to balance federal power and adaptability.

Despite controversy, implied powers are a pragmatic reality. They allow the government to evolve with changing circumstances, ensuring the Constitution remains a relevant framework for a dynamic nation.

### Questions:

- What is the difference between delegated (enumerated) and implied powers?

- Where in the Constitution is the basis for implied powers found?
