Understanding your student's report card

Newberg elementary report cards reflect knowledge and skills students are expected to learn this school year. The semester marks (see Academic Performance Scale on this page) focus on growth and measure where a student is on the path to year-end proficiency. A student earning a 3 is making the expected progress on grade level standards.

Answers to the frequently asked questions on the reverse side are intended to help you understand the report card. Your student's teacher is your best resource for how you can support your student's learning. Parent guides to supporting student success are on the school district website at <http://www.pfs.org/content.cfm?ItemNumber=2909>. Please contact your school's office if you need assistance accessing these documents.

An example of the new report card shows marks for skills students are expected to learn during this school year using the new performance scale.
