could feel Peri's presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive, and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacques' survival? Jacques was starting to remember someone else, someone that depended on her. A brand new life, precious and perfect, her son Costin's best friend lay as if sleeping, clinging to life by a mere thread held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral wolf at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her, the huge, dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant who had no idea who or what she was, didn't stand a chance.

*Tears of the Moon* Quinn Loftis, 2018-12-07

A talented songwriter, Shawn Gallagher spends his days lost in reverie and wonder, oblivious to the wiles of women and the ways of the world. He claims that he's content with his life, but his music tells a different story, one of loneliness and desperate longing. No one understands why Shawn doesn't put his musical gift to profitable use. Least of all Brenna O'Toole, a fiercely independent tomboy who has been secretly in love with him for years. But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician, as the song in his head keeps time with the beating of a woman's heart.

*The Grey Wolves Series Collection Books 1-3* Quinn Loftis, 2019

**Luna Of Mine** Quinn Loftis, 2014-06-29

We've watched the Romanian Grey Wolves find their true mates, fight against evil, and reunite with the other *Canis lupus* in the world. Now we will see just how the most powerful Alpha in their history met his

match with the woman who became his mate and helped him become the man he needed to be in order to lead Every life leaves behind a legacy Every story has a beginning and an end The Alpha of the Romania Grey Wolves knows this better than most He also knows it s the things that transpire to create that legacy and the experiences triumphs and failures that happen in the middle of the story that matter His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack Before he led hundreds he had to learn to lead a few Before he sacrificed for all he had to be willing to sacrifice for any Before he could be the man destined to save his race he had to be willing to serve them In order to be raised up he had to first be torn down There was only one who could do this and live only one who could light his way when the darkness closed in his mate his Luna This is the building of their legacy the middle of their story Their triumphs their failures and their tragedy s that would one day make them strong enough to restore a race torn apart by greed envy and fear

Alpha Rising Quinn Loftis,2020-12-08 Supernatural war is on the horizon and no one will escape unscathed Enemy after enemy foe after foe has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races But now the alliance doesn t fight a single supernatural threat It s no longer a single coven of vampires a lone deranged warlock or a rogue pack that threatens their safety Now the wolves face a unified force of evil the Order of the Burning Claw The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever and they ve just recruited one of their most powerful members The Order will stop at nothing to gain power including kidnapping the pack s children and its beleaguered healer The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes But how can they do that when their enemies hold captive the pack s greatest treasures Before this is over bonds will be tested a new leader will rise and all hell will break loose *Den Of Sorrows* Quinn Loftis,2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacque and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally s return and have Perizada s word that she will be back in time for the birth of Jacque s baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than he could have ever imagined As Perizada has recently discovered creatures of the night that have

for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm s way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same

The Wolves Descend Quinn Loftis,2021-12-29 The fight for dominance begins The period of mourning for the great alphas Vasile and Alina is over But some refuse to move on The high fae Perizada vows never to experience the loss of her friends her family again She knows the only way to do this is to take on the Order of the Burning Claw herself But her mate would never allow it So she does the only thing she can severing all ties with her allies Peri s decision could destroy her enemies the Order but it could also destroy everything she holds dear The end of mourning also marks the beginning of challenges to the new alpha of alphas Fane Lupei Rogue wolves who desire to rule in his stead attempt to stake their claims Though Fane abides by pack law when facing his opponents others aren t so honorable Fane soon realizes the threats he faces aren t just against him but against his entire pack Skender and the fae Tenia fight against the mate bond drawing them closer They both know they cannot be together but the bond is more powerful than either expected Meanwhile Skender has promised to keep Tenia s son Torion safe a promise he s willing to die to keep Skender soon finds out that there s more to the boy than meets the eye and Skender s ability to keep the boy safe could be the key to saving them all **The Hunt Begins** Quinn
