

Literary criticism research paper

Charles Dickens, prodigious as a creator, has undoubtedly painted the richest picture of the English social world in the whole range of literature. His perception of things and characters, not at all limited in scope, is remarkable for its direct keenness and fresh vigor. The writer's personality adds hue to it by which an incomparable liveliness is achieved. The double distinction of being the best story-teller of his time and the most versatile and amusing creator of characters belong to this personality. Moreover, here we have to agree with Leavis who opines that Dickens's criticisms of the world he lives in are casual and incidental which adds to the beauty, quality and popularity of his works. (Leavis, 228)

Dickens's attitude towards crime was highly complex. He was drawn to it by mere fascination of the ugly and perverse, by the opportunities it gives to a writer for exploiting the sensations of mystery, suspense and terror, and for throwing the cheerful elements into high relief. Moreover, he liked showing the tragic retribution that follows on crime and was impressed by the thought of the criminal as haunted by evil. In his *A Tale of Two Cities*, an entire system of legalized oppression that lies behind the picturesque horrors of the French revolution is well explicated.

Dickens's most obvious social intention was the satirical exposure of particular institutions that were held to blame for much of the misery and vice of his time. In *Oliver Twist*, it is the inhumanity of the Poor Law; in *Little Dorrit*, the red tape of Civil Service ("Circumlocution Office"); in *Nicholas Nickleby*, that of schools in which poor children were abandoned to the greed of ignorant exploiters; and in *Bleak House*, the withering effect on character of the law's delays. Here Orwell's remark about Dickens holds true: "In *Oliver Twist*, *Hard Times*, *Bleak House*, *Little Dorrit*, Dickens attacked English institutions with a ferocity that has never since been approached. Yet he managed to do it without making himself hated, and, more he has become a national institution himself. In its attitude towards Dickens the English public has always been a little like the elephant which feels a blow with a walking-stick as a delightful tickling. Dickens seems to have succeeded in attacking everybody and antagonizing nobody. Naturally this makes one wonder whether after all there was something unreal in his attack upon society." (Orwell, www.spartacus.schoolnet.co.uk/PRdickens.htm)

The art of Dickens has a deep human quality of which the chief instruments are tears and laughter, and above all, the poignancy and flavor of their fusion. His humor is rich with intense elements, as his sensibility is keenly alive to the moving significance and the odd nature of things. Along with it, a principle of self-control, the faculty to dominate and to mix, was added and this mixture gave his works its quality. As a humorist, he is amenable to discipline.
