Original. *The Best Minds of My Generation* Allen Ginsberg, 2017-04-04. In 1977, twenty years after the publication of his landmark poem "Howl" and Jack Kerouac's seminal book *On the Road*, Allen Ginsberg decided it was time to teach a course on the literary history of the Beat Generation. Through the creation of this course, which he ended up teaching five times, first at the Naropa Institute and later at Brooklyn College, Ginsberg saw an opportunity to present the history of Beat Literature in his own inimitable way. Compiled and edited by renowned Beat scholar Bill Morgan and with an introduction by Anne Waldman, *The Best Minds of My Generation* presents the lectures in edited form, complete with notes, and paints a portrait of the Beats as Ginsberg knew them: friends, confidantes, literary mentors, and fellow revolutionaries. Ginsberg was seminal to the creation of a public perception of Beat writers and knew all of the major figures personally, making him uniquely qualified to be the historian of the movement. In *The Best Minds of My Generation*, Ginsberg shares anecdotes of meeting Kerouac, Burroughs, and other writers for the first time, explains his own poetics, elucidates the importance of music to Beat writing, discusses visual influences, and the cut-up method, and paints a portrait of a group who were leading a literary revolution. For Beat aficionados and neophytes alike, *The Best Minds of My Generation* is a personal yet critical look at one of the most important literary movements of the twentieth century. **Video Movie Guide 1998** Mick Martin, Marsha Porter, 1997.
