**Jennercide** Mike Scantlebury,2018-07-04 Mickey doesn't often make a mistake but this time it's a bad one and a man dies Not that Mickey knew Dr Jenner very well or even understood what the scientist was asking him to do Mickey had been told the Doctor worked for a multi national food and chemical company and that he had got himself in trouble for being a whistle blower but as to what secrets the researcher knew or what damage it could cause Mickey had no idea But then he finds out Mickey goes to see the family and finds they are being harassed The Doctor is dead but the persecution goes on Mickey feels sorry for them It's a dangerous emotion At first all he wants to know is who killed Dr Jenner but investigating that leads Mickey deeper and deeper into the world of food trading chemicals and even Genetically Modified food and seeds There's big money at stake Some companies will stop at nothing to make a profit Is this what Dr Jenner found out Is this why there's such a crusade against him his family and his company Mickey can't help but get involved He wants to do what's right especially after his girlfriend Melia is attacked too He has to protect her If only she wasn't pregnant **My Cave My View**

Gary Torres,2011-10 Gary has used a Twain like humor with a folksy small town snapshot of life to make us stop and reconsider our own life He opens up with humor and tenderness that will bring laughter and tears from the same page as he paints pictures of the people places and activities that surround him He and his dog Turbo his too kind and loving wife and four children are the innocents abroad on a raft made of love pain laughter and hope that is floating the mighty Mississippi of life somewhere in the West From his experience raising kids fighting cancer running marathons his insights are like barbs on a fence that grab hold of you Each section of the book contains small snippets of life and insights that make the reader pause to laugh at the character and themselves **BATTLE OF THE SEXES** There it is one blanket one bed two people It is almost certain that someone is going to be cold tonight Oh sure we act cordial enough remove our slippers plump our pillows shake the sheets then position the mutual blanket and snuggle in for a good night's sleep a wonderful ending to the age old battle of the sexes A temporary truce of sorts can't live with em can't live without em **YOU DRIVE ME CRAZY** You drive me crazy There was a time when my wife said those words and that was a good thing Now when she says those words it is with a different tone and a different meaning It's more like **YOU DRIVE ME CRAZY** And after being married and having kids I have come to decide that it is the little things that will eventually drive a person crazy **BAGS CHAPSTICK AND SHOPPING** I'm sitting here in my cave talking to my dog Turbo Do ya think that we'll ever understand women He looked up smiled and wagged his tail I think he thought I said Would ya like a bite of my sandwich Whenever I talk he must always think I say that because he always smiles and wags his tail the same way **MYOWN EMERGENCY ROOM VISIT** Well I can tell you one thing Don't be going to the hospital if you want to get rest and relaxation Just about the time I would fall asleep some nurse would come in and shake me and say How ya feeling Are you getting plenty of rest I need some more blood This is going to sting just a tiny bit And proceed to play pin the tail on the donkey again Frankly I was tired of the game and didn't want to be the

donkey anymore although many think I am a natural for the part
