

SECONDHAND SPACEMAN

A dramatic space scene featuring an astronaut in a white and orange suit floating amidst a chaotic field of debris and a bright, glowing light source in the background. The astronaut is positioned in the center, looking towards the viewer. The background is filled with various sized rocks and dust particles, creating a sense of a recent explosion or collision. The lighting is intense, with a bright blue and white glow emanating from behind the astronaut, casting long shadows and highlighting the textures of the debris.
