Current Trends in Maternity and Pediatric Care 1. For maternity care, prospective payment plans have resulted in shortened length of stay after delivery. This created problems for some women and infants who required readmission following early discharge. Legislation now mandates length of stay following vaginal birth as 48 hours; following cesarean birth, length of stay is 4 days. Concerns about managed care in pediatrics include delay in treatment authorization and pediatric referrals and limited coordination with community health, education, and social services. 2. F 3. T
