

DEDICATION

We humbly dedicate this case study to the enhancement of Nursing Students in making Case Studies.

The student's aim to develop a study that is worthy of credit as a certificate reference in the continuing implementation of Nursing Practice in Maternal and Child Health Nursing – Hence, the contents of this study should be able to provide data for future researchers and studies in the area covered.

We finally dedicate this book to our families whose untiring support and assistance have made possible the fruition of our efforts. To our friends and classmates for their cooperation while conducting the study.

And most of all to our great creator our Almighty God the author of knowledge and wisdom who made this possible.

Example Of Dedication Letter In Research Paper:

Trials and Triumphs- A Teacher's Life Journey Dr Dhastgir Sultan Sherif,2024-01-20 The quote sums up the role of teachers in student s life The influence of a teacher extends beyond the four walls of a class room and plays a significant role in molding and shaping the life of a student Rather the teacher student bond is the foundation stone of building the life of a student I am lucky to be a teacher who had a great influence on the lives of many medical students The bond and rapport between the teacher and the student is unique and beyond explanation I have the privilege of being a teacher for over four decades having taught couple of thousand students who now adorn the garden of Medicine I will just narrate one incident that describes the beauty and greatness of this relationship When I was teaching in Antigua I had developed such a relationship that cemented our souls together At the time of my leaving the medical school at the Airport one of my student just tried to become one with me standing on my feet embracing me and not allowing me to travel It took lot of persuasion to take leave of the student leaving a deep rooted bonding that defies explanation This short write up pictures the journey of my life traveling through many stations of learning carrying memories which words cannot capture or portray for these experiences are embedded deep into the chambers of heart probably rightly called as the seat of love and emotions
