**A Practical Introduction to Day Trading**  
Don Charles,2018-11-14 Many individuals enter financial markets with the objective of earning a profit from capitalizing on price fluctuations However many of these new traders lose their money in attempting to do so The reason for this is often because these new traders lack any fundamental understanding of financial markets they cannot interpret any data and they have no strategy for trading Trading in markets is really about deploying strategies and managing risks Indeed successful traders are those who have strategies which they have proved to be consistent in granting them more financial gains than financial losses The purpose of this book is to help a potentially uninformed retail trader or inquisitive reader understand

more about financial markets and assist them in gaining the technical skills required to profit from trading It represents a beginner s guide to trading with a core focus on stocks and currencies TRENDING UP Ben Lebig Jr. Ph.D.,2023-05-10 Are you thinking of investing in Apartments but don t know where to start Are you curious about Cryptocurrencies and how to make money from them What are NFTs and can you earn from this new form of digital asset If you are also asking these questions this book is for you TRENDING UP The Expat s Guide in Building Strong Foundation on Investments is a book written by an Expat specifically for other Expats and all those who plan to start investing It provides fundamental concepts on Personal Financial Planning and no nonsense insights on the following investments Real Estate Apartments Stock Market Cryptocurrency NFTs TRENDING UP is a blend of actual investment experiences of Dr Ben Lebig Jr who has lived abroad for more than 17 years and has taught and mentored both Expats and those in the Philippines on Financial planning Investments Management Business Finance and Entrepreneurship among others It also includes numerous lessons learned from other Expats who share the same investment experiences The book details practical tips and answers vital questions that one should ask and know before investing This book will help you equip yourself before starting your investment journey

whether you trade stocks derivatives commodities currencies etc      Charting and Technical Analysis Fred McAllen, 2012-04-06 To invest successfully or trade in Stocks Options Forex or even Mutual Funds it is imperative to know AND understand price and market movements that can only be learned from Technical Analysis You should NEVER attempt Trading or Investing without it My 25 years experience has taught me that every book on the market regarding Charting and Technical Analysis is seemingly worthless All seem to find yet another creative way to tell you to Buy Low and Sell High And they offer NO in depth understanding or analysis about WHO is buying and WHO is selling and when Point is anyone experienced or not can show you a picture of a Chart and tell you to buy at the bottom and sell at the top That is simple hindsight and is always 20 20 This book is different It is IN DEPTH EXPLAINED and you WILL learn price movements and technical analysis from this information You will understand and recognize tops and bottoms in the market and in particular stocks AS they are forming This is highly valuable information and you should NEVER attempt to trade or invest without this knowledge Mutual Funds Most people think they do not need this information because they have a Mutual Fund That could not be farther from the truth Investing your hard earned money should be done with your own knowledge of market direction when to buy and when to move your money to safety Without this knowledge you are at the mercy of a salesperson hungry to earn a commission Thus invariably entering the market at the wrong time and in the wrong investment No one else has your best interest in mind So learn to protect your money or keep it in the bank It s that simple The next move is yours
