

A Prayer for Graduation

Heavenly Father,

Give grace and courage to the ones who have worked hard and now greet this special time of graduation.

We thank you for protecting and guiding them to this point. All praise and glory to You!

Inspire the graduates to put to good use all the knowledge, skills and life lessons gained through their education.

*Most importantly, as they face unknown challenges moving on, help them to keep dear the greatest wisdom of all -**that of knowing Jesus and the power of the Cross!***

A chapter has closed and another eagerly awaits. Pave their road with opportunities and inspire them to live with hope in this incredible journey called life.

Continue to bless the graduates with love, protection, mercy, strength and wisdom.

*May they live passionately to honor and glorify Your name. In Jesus' name, **Amen.***

Politics According to the Bible Wayne A. Grudem, 2010 Should Christians be involved in political issues This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life including politics Politics According to the Bible is an in depth analysis of conservative and liberal plans to do good for the nation evaluated in light of the Bible and common sense Evangelical Bible professor and author of the bestselling book Systematic Theology Wayne Grudem

unpacks and rejects five common views about Christian influence on politics: religion compels, religion excludes, religion is demonic, evangelism is politics, and politics is evangelism. Instead, he defends a position of significant Christian influence on government and explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad governments. Grudem provides a thoughtful analysis of over fifty specific and current political issues dealing with: The protection of life, Marriage, the family, and children, Economic issues and taxation, The environment, National defense, Relationships to other nations, Freedom of speech and religion, Quotas, and special interests. Throughout this book, he makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.
