Critical Thinking

► Possible answer(s): I think the mystery of Atlantis will be more difficult to solve because researchers have already spent years trying to solve it and haven't reached a conclusion. It's possible that Atlantis never existed, which means there will never be a resolution. I think Cumuamus will be more difficult to solve because it has now disappeared from the view of all telescopes on Earth and extensive research and lots of money would be needed to send a probe to view it again.
