Grade11 Life Orientation 2014 November December:

Straight A's Christine R. Yano, Neal K. Adolph Akatsuka, 2018-08-09 The American Dream of success for many Asian Americans includes the highest levels of education But what does it mean to live that success In Straight A s Asian American students at Harvard reflect on their common experiences with discrimination immigrant communities their relationships to their Asian heritage and their place in the university They also explore the difficulties of living up to family expectations and the real world effects of the model minority stereotype While many of the issues they face are familiar to a wide swath of college students their examinations of race ethnicity gender and sexuality and culture directly speak to the Asian American experience in U S higher education Unique and revealing intimate and unreserved Straight A s furthers the conversation about immigrant histories racial and ethnic stereotypes and multiculturalism in contemporary American society *Social Problems* Anna Leon-Guerrero, 2018-07-10 Empower your students to become part of the solution The new Sixth Edition of Anna Leon Guerrero s *Social Problems Community Policy and Social Action* goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With a clear and upbeat tone this thought provoking text challenges readers to see the social and structural forces that determine our social problems to consider various policies and programs that attempt to address these problems and to recognize and learn how they can be part of the solution to social problems in their own community New to This Edition Many of the social policy discussions including immigration LGBTQ rights the Affordable Care Act and Internet neutrality have been updated to reflect the most recent government actions and debates More recent data and new data sources have been incorporated throughout both in the main narrative and in the *Exploring Social Problems* features New Voices in the Community subjects on gender work and the economy and war and terrorism appear in several chapters New In Focus topics include Black Lives Matters assault weapons and college drug problems The chapter on gender has been substantially updated with new or expanded coverage of binary cisgender transgender identification gender nonconformity discrimination sexual misconduct on college campuses and the rights of trans and intersex individuals Other new or expanded coverage elsewhere includes economic anxiety robotization in the workplace white nationalists feminist theories about race fake news net neutrality community policing gentrification and segregation in U S cities and the immigration and environmental policies of the Trump administration **Recognizing Race and Ethnicity** Kathleen J. Fitzgerald, 2020-06-03 This best selling textbook explains the current state of research in the sociology of race ethnicity emphasizing white privilege the social construction of race and the newest theoretical perspectives for understanding race and ethnicity It is designed to engage students with an emphasis on topics that are meaningful to their lives including sports popular culture interracial relationships and biracial multiracial identities and families The new third edition comes at a pivotal time in the politics of race and identity Fitzgerald includes vital new discussions on white ethnicities and the politics

of Trump and populism Prominent attention is given to immigration and the discourse surrounding it police and minority populations and the criminal justice system Using the latest available data the author examines the present and future of generational change New cases studies include athletes and racial justice activism removal of Confederate monuments updates on Black Lives Matter and Native American activism at Standing Rock and against the Bayou Bridge pipeline

Recognizing Race and Ethnicity ,2018-05-15 This book approaches the study of race ethnicity through a sociological lens It focuses on a few social policies that are perceived as race related such as affirmative action to an understanding of the historical racialization of the US welfare state overall Difficult Subjects Badia Ahad-Legardy,OiYan A. Poon,2023-07-03 Difficult Subjects Insights and Strategies for Teaching about Race Sexuality and Gender is a collection of essays from scholars across disciplines institutions and ranks that offers diverse and multi faceted approaches to teaching about subjects that prove both challenging and often uncomfortable for both the professor and the student It encourages college educators to engage in forms of practice that do not pretend that teachers and students are unaffected by world events and incidents that highlight social inequalities Readers will find the collected essays useful for identifying new approaches to taking on the difficult subjects of race gender and sexuality The book will also serve as inspiration for academics who believe that their area of study does not allow for such pedagogical inquiries to also teach in ways that address difficult subjects Contributors to this volume span a range of disciplines from criminal justice to gender studies to organic chemistry and demonstrate the productive possibilities that can emerge in college classrooms when faculty consider identity as constitutive of rather than divorced from their academic disciplines Discussions of race gender and sexuality are always hot button issues in the college classroom whether they emerge in response to a national event or tragedy or constitute the content of the class over a semester long term Even seasoned professors who specialize in these areas find it difficult to talk about identity politics in a room full of students And many professors for whom issues of racial and sexual identity is not a primary concern find it even more challenging to raise these issues with students Offering reflections and practical guidance the book accounts for a range of challenges facing college educators and encourages faculty to teach with courage and conviction especially when it feels as though the world around us is crashing down upon our students and ourselves On the Act of Looking Rex Butler,David Denny,2026-01-22 A collection of multi disciplinary essays that analyses the formal historical ethical and political significance of Joshua Oppenheimer s ground breaking documentary films *The Act of Killing* and *The Look of Silence*
