

OBJECTIVES

- 1. Describe the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the health plan as a business.

Business Objectives

Business Objectives (including vision and health plan objectives):

Regulatory differences between the business and the health coverage ("the business" - business, corporate, and medical) provide important information for the business, including the various health coverage as well as the various ERAs associated with the business and the health coverage as "the business" - business, corporate, and medical.

Business and regulatory law plans and policies should be reviewed regularly. The purpose of this manual is to provide information on the various ERAs associated with the business.
