Finding the Successful Psychopath Stephen Shepherd,2014-10-29 Do you know a psychopath Are you certain Do you know the characteristics of a psychopath Should you avoid a psychopath If so do you know how to avoid a psychopath While garlic may hold off vampires and a cross may hold off Count Dracula these talisman relics have no effect on a true psychopath Protect yourself Stephen Shepherd introduces the world to the successful psychopaths and once you understand the traits and actions of such people you will be able to spot a psychopath as far as you can see And once you realize the characteristics that dominate a psychopath you will be stunned and amazed at the identity of some of history s most successful and yet well concealed psychopaths who have virtually ruled the world at least a large part of it A truly successful psychopath can accomplish almost anything including becoming the President of the United States So carry on dear reader and learn about the people around you You are in for the surprise of your life But watch out they are out there somewhere or everywhere

**Trialectic** Peter A. Alces,2023-08-15 A thought provoking examination of how insights from neuroscience challenge deeply held assumptions about morality and law As emerging neuroscientific insights change our understanding of what it means to be human the law must grapple with monumental questions both metaphysical and practical Recent advances pose significant philosophical challenges how do neuroscientific revelations redefine our conception of morality and how should the law adjust accordingly Trialectic takes account of those advances arguing that they will challenge normative theory most profoundly If all sentient beings are the coincidence of mechanical forces as science suggests then it follows that the time has come to reevaluate laws grounded in theories dependent on the immaterial that distinguish the mental and emotional from the physical Legal expert Peter A Alces contends that such theories are misguided so misguided that they undermine law and ultimately human thriving Building on the foundation outlined in his previous work The Moral Conflict of Law and
