My Own Medicine Geoffrey Kurland,2002-09-11 Publisher Description *The Break Guide - Male Editon* Decarlos Stewart,2014-09-11 Going through the articles you will see yourself in a lot of the advice that is offered This new sight into the world of relationships will leave both men and women with the power to manage their relationships and to see that things are not as hopeless as they might have thought in the past As you read the articles you will gain tips and perspectives that you can incorporate into your daily relationships and feel that you are able to get a handle on a bad relationship and actually break free from the chains that have been holding you down for so long There may be that one person out there that will be looking for help to get out of and over a bad relationship While this is not a replacement for qualified relationship adviser but it will come very close to giving you the needed help that you are seeking out for all of your relationship needs While things will seem to be at a dead end there is hope these articles are designed to give the reader the knowledge that they need to make the qualified decisions to get out of a relationship Even when the relationship is over there is the drama that is associated with the suffering through the break up In the end the best advice is to remember that things will get better

When Your Body Gets Weak Marilyn Louise Steede, 2019-07-02 Not your typical romantic escapade When Your Body Gets Weak depicts a May November romance The story blends intrigue suspense jealousy desolation physical fitness camaraderie and triumph re-enforcing the principle that chivalry is still alive and well Imani's soulmate Sonjae a young man fifteen years younger than herself was scheduled to attend a meeting in one of the Twin Towers on September 11 2001 Imani refuses to acknowledge that Sonjae has perished despite media reports and data about the survival possibilities of those present in the buildings The book demonstrates that young men can sustain the timeless attribute of chivalry while still maintaining virility with their male peers When Your Body Gets Weak will also inspire women to acknowledge their own strength no matter the circumstance as well as the power of unquestionable faith and the unconditional love that transcends adversarial occurrences I sincerely hope that when you turn the final page you will concur that age indeed is just a number says the author Part of the novel pays homage to those who perished on 9/11 and their families

The Breakup Guide - Female Edition Decarlos Stewart, 2014-09-11 Breaking up with a person is never an easy or fun thing to do There is a lot of emotion that is associated with it and tends to lend itself to a great amount of stress for a person Knowing when it is time to call it quits and how to go about this will be an important part of the breakup process

Many men and women are not skilled enough to know the things that need to be done when going through the process of a breakup While it is not always possible to have your very own love expert there to walk you through the process Having articles that you can refer to will be the next best thing for a person Often just the slightest word of encouragement will be all that a person needs to get them through the tough times that will lie ahead of them The Break Up Guide Can Help From the telling a person that things are over all the way to the point of the getting over the breakup there has to be a system that is in place that will allow them the chance to get through the tough times and allow them to see that you will get past the hurt feelings and that you have the power to be one of the strongest people around Taking advice from people that have been there will make the entire process seem a lot more doable and will not allow a person the chance to lose their nerve to do the hard job of breaking up with a man or woman as well as give them the strength that they need to survive the fallout of the breakup Let The Break Up Guide Help Please Visit www.stewartbooklife.com **Current Opinion** ,1915 **X That Ex** Kristin E.
