Marco Casella

Itn 171 Study Guide:

U.S. Foreign Policy Donald M. Snow, Patrick J. Haney, 2017-08-02 U S Foreign Policy Back to the Water s Edge is based on the old idea that despite domestic differences and party politics Americans should unite at the water s edge and present a cohesive front to a hostile world The fifth edition explores this theme through coverage of the Trump administration its early policies and how Trump s initiatives fit into the broader historical patterns of foreign policy in the United States More compact than most of its competitors the fifth edition packs necessary information and concepts into a lean but readable format It contains rich historical content providing the reader with snapshots of some of the truly classic highlights and lowlights of America s record in foreign affairs Written with the student reader in mind each chapter offers several pedagogical aids designed to reinforce and extend comprehension of the material This text is also accompanied by a companion reader Regional Cases in Foreign Policy Second Edition was written by Don Snow with the specific intention of providing material and perspectives not contained in the text The reader contains fourteen mini cases that can accompany classroom discussions or lectures on subjects as diverse as relations with Russia Israel or the Islamic State specific questions like the border fence with Mexico U S Cuban relations or the British withdrawal from the European Union Brexit Case examples are drawn from all parts of the world

Ceramics, Cuisine and Culture Michela Spataro, Alexandra Villing, 2015-10-31 The 23 papers presented here are the product of the interdisciplinary exchange of ideas and approaches to the study of kitchen pottery between archaeologists material scientists historians and ethnoarchaeologists They aim to set a vital but long neglected category of evidence in its wider social political and economic contexts Structured around main themes concerning technical aspects of pottery production cooking as socioeconomic practice and changing tastes culinary identities and cross cultural encounters a range of social economic and technological models are discussed on the basis of insights gained from the study of kitchen pottery production use and evolution Much discussion and work in the last decade has focussed on technical and social aspects of coarse ware and in particular kitchen ware The chapters in this volume contribute to this debate moving kitchen pottery beyond the Binfordian technomic category and embracing a wider view linking processualism ceramic ecology behavioral schools and ethnoarchaeology to research on historical developments and cultural transformations covering a broad geographical area of the Mediterranean region and spanning a long chronological sequence

World Guide to Television & Film ,1995

Probabilistic Modeling in Bioinformatics and Medical Informatics Dirk Husmeier, Richard Dybowski, Stephen Roberts, 2006-05-06 Probabilistic Modelling in Bioinformatics and Medical Informatics has been written for researchers and students in statistics machine learning and the biological sciences The first part of this book provides a self contained introduction to the methodology of Bayesian networks The following parts demonstrate how these methods are applied in bioinformatics and medical informatics All three fields the methodology of probabilistic modeling bioinformatics and medical informatics are evolving very quickly The text should therefore be seen as an introduction offering both elementary tutorials as well as more advanced applications and case studies

The Geography of English Politics R. J. Johnston, 2014-10-03 This book illustrates the degree of variability in voting behaviour within social groups and suggests reasons for that variability It reviews and critiques conventional analyses and presents statistical analyses of the geography of voting in England The book reveals that substantial geographical variations exist in the widely held generalisations such as that white collar owner occupiers favour the Conservatives or that blue collar council tenants prefer Labour
