Forgotten Promises Elle Brooks, 2014-11-21 Saying I Promise is the easiest thing to do its just two tiny words No one warned me of the weight they hold that they not only have the power to make something to give hope or show devotion They can destroy everything cause so much hurt ruin lives Every promise holds a toll if I had known what mine would cost me I would have walked away Now I have to pay the price watch the consequences of my actions unfold Witnessing someone I love crumble after breaking my oath isn t the hardest thing I ve endured it s being forgotten by the one person that I could never forget
