A cartoon lion with a large, shaggy brown mane and a friendly expression is holding a white rectangular sign with its front paws. The sign displays the multiplication equation $5 \times 7 = 35$. The lion is positioned in the center of the page, with its head and paws visible. The background behind the lion is a red area with faint, scattered numbers and mathematical symbols like a plus sign and a percent sign. Below the sign, two yellow pencils with pink erasers and sharpened tips are lying on a green surface.
