Why World of Warcraft Classic? Like many of you, I have fond memories of the original WoW and its Burning Crusade Expansion. I remember a time before instant gratification achievements and cross-realm group finders where your reputation, skill as a player, and social connections mattered. When faced with the challenges of Azeroth, we all had to make friends and work together. With the return of classic WoW, we can all have that again: friendships that last beyond the game, instead of gear that is recycled with each content patch. Classic WoW is about quality over quantity. I have nearly 200 mounts on regular WoW, yet none feel as rewarding as my original level 60 mount. With this series of guides, you can become that legend again or become a new legend in the most important MMORPG of our time.
