Peter M. Mirabito

Mark F. Sanders
John L. Bowman

The background of the cover features a detailed microscopic illustration of a cell colony. The colony is composed of numerous small, rounded cells, some of which are interconnected by thin filaments. The cells are rendered in shades of green and blue, with a textured, almost crystalline appearance. A central cell is highlighted with a bright, circular glow, drawing the viewer's eye. The overall composition is set against a dark, gradient background that transitions from black at the top to a lighter, yellowish-green at the bottom.
