Long Distance Relationships Amanda Ryan, 2016-05-03 This book will be your guide to make your long distance relationship work. A love relationship is not only about roses, but also about its thorns. While falling in love might be the easier thing to do, keeping a relationship alive can be demanding. But it gets even more difficult if the two lovers are separated by miles of distance. One needs to constantly work on the relationship. There can be many issues and problems that can threaten a long distance relationship. Issues such as jealousy and insecurity constantly hover around such a relationship. A deep understanding of them will help you to avoid them at the first place and deal with them effectively if you get to face them. Along with love, the right intention and lots of hard work is required to head in the right direction in the relationship. It is imperative that the one constantly works on the relationship. While it can be difficult, it is definitely not impossible. With some dedicated efforts and some tips, you will do just fine.
