

INSTRUCTION GUIDE FOR SUMMER AND FALL 2023 PLACEMENT

What is ALEKS Math Placement?

Math placement and placement courses help ensure all students are ready to succeed in their college courses. It's a smart decision that can help you progress at least to the mathematics course that will be most helpful for your success in college. Placement is a computerized test that assesses your skills in algebra, trigonometry, and calculus. The test is designed to help you determine the right course for you. The placement assessment is a 20-question test that generally takes 30-45 minutes to complete. After the placement assessment, an individualized plan will be generated for you. This plan will help you determine your placement course. Students then receive notification of their placement through their university email.

Who should take the test?

- All first-year students are required to take the placement test.
- The first and second semester students, with special college courses, may also be required to take the placement test.

Getting Started

1. Register for [ALEKS Math Placement](#) your student email address.
2. Follow the steps to create an account.
3. Complete the placement test.
4. Register for the course you are recommended to take.
5. If you are already registered, you can [cancel your registration](#).
6. If you receive a notification from ALEKS Math Placement, please take the time to read your notification.
7. Answer the survey questions. Your responses help us improve our placement test.
8. Complete the tutorial.
9. Return to the course.

*** If you do not receive a notification from ALEKS Math Placement within three weeks of your placement, then please email placement@uncw.edu or call (919) 351-2222.
