## PSi #29 – Assemble

CENTRAL SCHOOL OF DRAMA AND SPEECH LONDON

20-23 June 2024

Performance Studies international are delighted to announce the Call for Proposals for PSi #29, which will be hosted by The Royal Central School of Speech and Drama in Collaboration with LIFT (the London International Theatre Festival) on 20-23 June 2024.

This hybrid conference focuses on the main theme of Assemble. To assemble has multiple meanings: to gather in one place for a common purpose or to put together the parts of something. Resonant with infrastructures, politics and processes of assemblage, the conference invites and foregrounds practice research, creative critical interventions, processes of making and their antithesis, un-making. In response to the COVID-19 pandemic, the climate crisis and global struggles for justice and recognition, we have to reconsider how to assemble, how to come together, to build, to imagine, to co-create in hostile conditions, and, conversely, what we need to disassemble, to take apart, to dismantle, to decenter, to unlearn.

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading History Memory Performance Studies In International Performance. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading History Memory Performance Studies In International Performance, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download History Memory Performance Studies In International Performance has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
