John Ma,David M. Cline,Garth D. Meckler,2016-03-22 The most widely used and highly regarded textbook and reference of emergency medicine Endorsed by the American College of Emergency Physicians The 8th edition of Tintinalli s Emergency Medicine provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine successfully in today s fast paced environments It is an important contemporary clinical emergency care resource for physicians NPs and PAs who practice emergency medicine and for emergency medicine and pediatric emergency medicine fellows It remains the preferred study guide for in training and board examinations and recertification NEW to this edition Full color design with more tables than ever to succinctly present key information Extensive updates to all sections incorporating the latest guidelines evidence based protocols and relevant

research Expanded pediatric section with complete clinical information for general and pediatric emergency physicians
Expanded coverage of common emergency department procedures with improved illustrations Online access to more than 30
videos covering a wide range of procedural and diagnostic topics and focusing on the latest ultrasound guided techniques
From the reviews of the seventh edition Collectively they have once again produced an excellent text that manages to cover
the broad scope of emergency medicine while remaining an easily readable and practical resource Last for the inevitable
comparison of this current edition of Tintinalli s Emergency Medicine with other available emergency medicine textbooks
available in my opinion Tintinalli s still comes out on top It is more concise and easier to read than some yet it covers the
breadth of emergency medicine practice more comprehensively than others Just as previous editions did the seventh presents
all of the most pertinent and up to date information in a well organized format that is comprehensive yet easy to read That
and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come JAMA

Tintinalli's Emergency Medicine is THE essential resource for everyone working in and teaching emergency medicine. The Ninth Edition provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine in today's fast-paced environments. This comprehensive text is an important clinical resource for physicians, residents, and students, advanced practice providers, emergency nurses, EMTs, and paramedics. It is a necessary resource for in-training and board examinations and recertification. Tintinalli's Emergency Medicine covers everything from prehospital care, disaster preparedness, and basic and advanced resuscitative techniques to all the significant medical, traumatic, and environmental conditions requiring emergency treatment in adults, children, and neonates.

Highlights of the Ninth Edition: Full color design with more tables than ever to succinctly present key information. Extensive updates to all sections incorporating the latest clinical and evidence-based information. Online access to over 100 videos covering a wide range of diagnostic and therapeutic procedures and POCUS for obstetric, gynecologic, pediatric, musculoskeletal, and vascular conditions. World-class pediatric section on the care of neonates, infants, and children. Expanded chapters on the management of gynecologic and obstetric conditions and emergencies. Updated information on toxicologic and environmental emergencies. Contemporary, concise discussion of ED identification and treatment of opioid use disorders. Updated information on procedural sedation. Expert advice on the management and care of transgender patients. Latest information available on neurologic and cardiac emergencies.

From the reviews of the seventh edition: Collectively they have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource. Last, for the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other available emergency medicine textbooks, available in my opinion, Tintinalli's still comes out on top.
