Previous Sections

Introduction to IR

- Where did IR begin as an academic discipline? Why was it established? -IR started at Aberystwyth University after WW1 and was established to broaden the scope of international law (test ans: led to the beginning of the establishment of state sovereignty and the system of states)

Nations and States

- Characteristics of: i. a nation ii. a state

Nation-common historical evidence, religion, language, but NOT gender

State- sovereignty, territory, population, diplomatic recognition, internal organization (economic and political), domestic support

- Sovereignty – what is it? Are states legally equal as per sovereignty?

Sovereignty- ultimate self-authority, exclusive right to govern territories. States have legal equality

Test ans: includes non-interference in the international affairs of a state, legal equality in international politics, monopoly of violence by the state... NOTTT commitment to being a democratic state

- “States have a monopoly of violence” – What does this mean?

They are declaring war with army and police. Only state can legally enforce rules and use violence

Setting up the historical context

- Major outcomes of the end of WW2? (Pay attention to shift from multipolarity to bipolarity ◊ what does this mean?)

GED Exam Prep for All Subjects (2025-2026) Jennifer Schultz, 2026-02-28 Earning your GED is more than passing a test. It is reclaiming opportunity. Whether you paused your education years ago or recently decided to take a different path, the GED exam can open doors to college, better jobs, and personal confidence. The challenge is knowing where to start and how to prepare without feeling overwhelmed. **GED Exam Prep for All Subjects 2025-2026** gives you a clear, structured plan to master every section of the exam without confusion or wasted effort. This guide covers all four GED subjects: Mathematical Reasoning, Reasoning Through Language Arts, Science, and Social Studies. Each section begins with simple, easy-to-understand lessons that break down key concepts step by step. Complex topics are explained in plain language so you build real understanding instead of memorizing information you will forget. You will also find targeted practice questions for every subject, full-length practice tests to simulate the real exam, clear answer explanations that show you how to solve problems correctly, test-taking strategies to manage time and reduce anxiety, and skill-building exercises designed to improve weak areas. Many students struggle because they try to study everything at once. This book organizes your preparation so you focus on what matters most. You build confidence gradually, practice consistently, and track your improvement along the way. Whether you are balancing work, family, or returning to school after years away, this study guide is designed to support real-life schedules. Study in manageable sessions. Practice with purpose. Measure your growth. Passing the GED can be a turning point. With the right preparation, you can walk into the exam center calm, focused, and ready. Your next chapter starts here.
